News from the Town Administrator

ADMINISTRATION ADVOCATES FOR THE TOWN

The Town of Forest Heights is advocating on behalf of its residents, and working to provide the funds and services they need. Here are some highlights from our month of advocacy:

- Mayor Muhammad visited with Maryland State Senator Patterson (top right) and State Delegate Turner (bottom right) to discuss Local Impact Grant Fund revenue from casinos for Forest Heights. The funding would be used to offset impacts like traffic and public safety issues connected to the casino and improve services and fund projects for the town. Pending legislation is currently before both the house and senate.
- Mayor Muhammad attended Prince Georges' County Executive Angela Alsobrooks' Breakfast held February 21st. The municipal mayors were invited to discuss how the County and municipalities can work together to address issues of concern and facilitate needed partnerships for success.

CONGRATULATIONS TO NEWLY ELECTED OFFICIALS.

This year, the Town of Forest Heights welcomes old and new faces to the offices of the Mayor and Town Council. Habeeb-Ullah Muhammad was sworn in as Mayor. The newly elected officials were sworn in on Wednesday, March 20th, at the Mayor/council Town meeting. Councilman Robert Barnes was elected for Ward I, Councilwoman Cynthia Mann was elected for Ward II, and Councilwomen Taunya Hines and Paula Noble were elected for Ward III.

FOREST HEIGHTS HEALTHY HEIGHTS

APRIL SEMINAR: CPR

The Town of Forest Heights will be hosting its next Healthy Heights Seminar on Monday, April 8, 2019 on **CPR Application**, in a discussion and lunch led by Officer Paige. Our seminar series is free to attend, we ask that you call 301-839-1030 so that we can provide enough lunch for everyone.

FOREST HEIGHTS HEALTHY HEIGHTS FEBRUARY SEMINAR: AED DEMONSTRATION

On Monday, February 11, 2019, the Forest Heights Police Department gave a presentation on AED (Automatic External Defibrillator) use as part of the Healthy Heights Seminar program. We had a great turnout, and hope to keep offering classes that enrich and educate the community. Thanks Officer Paige and Chief Rease for your informative session.

MARCH SEMINAR: DOCTOR'S VISITS

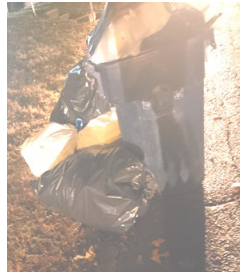

The Town of Forest Heights held its March seminar on **Doctor's visits** on **Monday, March 10, 2019** from 1-2PM. Thanks Ms. Annette Solomon for your helpful presentation. Here are a few tips to remember both before and during your doctor's visit:

1. Gather all your medications.
2. Make sure you have all your insurance cards.
3. **ASK QUESTIONS!** Do you understand every word the doctor is using? Don't be afraid to ask what that word means— it show that you are invested in your health!
4. Be very specific when describing how you are feeling.

Community News and Upcoming Events

REMINDER: FOREST HEIGHTS TRASH AND RECYCLING

The Town of Forest Heights would like to issue a reminder about regulations concerning trash and recycling pickup. Trash must be placed in the proper container. There should not be any trash bags sitting beside or on top of the trash can. Carts should be put out the night before collection. Construction debris, appliances, soil and liquids (as examples) are not acceptable. Failure to adhere to these rules will result in your trash not being picked up and a citation. Yard Waste must be in a brown bag, in a container specifically marked Yard Waste, or, if it is brush, should be bundled and not exceed 4 feet in length. Hazardous materials should be taken to the Prince George's County Brown Station Road Sanitary Landfill in Upper Marlboro. **Bulk Trash Pickup is on Thursdays, and must be 3 non-metal items or less.**

METAL PICK-UP : Metal placed on the curb will be picked up by Public Works for a minimum of \$35.00 (paid in advance)

Propane Tank Pick-ups are \$30 each: Tires \$15.00 each

REMINDER: PET WASTE STATIONS IN FOREST HEIGHTS

The Town of Forest Heights has installed Pet Waste Stations along walkways and roads throughout Town. These stations come with waste bags and a place to put it. It is important to keep the Town free of Pet

Waste. It causes disease and bacteria to pollute streams and beaches. We ask that everyone do their part in keeping Forest Heights a Green community. Further information is available at the Municipal Building.

We will be giving out free retractable leashes with scoop bags at Forest Heights Day to encourage residents to make use of the Pet Waste Stations.

NOTICE FROM WSSC: Bill Changes July 1, 2019

As part of several new initiatives to improve and modernize the way we approach customer service, we are implementing a simplified rate structure expected July 1, 2019. The new four-tier structure will replace the current 16-tier structure, which has been in place for more than 25 years.

What is the difference between a rate structure and water/sewer rates?

A rate structure is **how** you are charged for water/sewer.

The **amount** charged for water/sewer is the rate.

How will the new rate structure impact my bill?

For most customers, the new rate structure won't make much of a difference on your WSSC bill. In fact, some customers may see a slight decrease in their bills. This is because all customers will be charged for water use within each tier instead of for all water use at the highest tier, which is how customers are charged under the current structure. This makes how we charge for water more fair. The new rate structure also promotes conservation – helping to save you money by encouraging wise water use.

Additional information available on <https://www.wsscwater.com/billchanges>.
